# A Night Of Magic & Memories

PRESENTED BY

FEATURING AWARD-WINNING MAGICIAN ERIC LECLERC

Eric Leclerc is an award winning magician and funny man performing feel good magic for your brain.

He stars on many of his own television shows such as TRICKED on Disney+ and BYU TV, Brain Games on Netflix and most recently, BIG TRICK ENERGY on TRUtv. Eric is the only 2-time winner of the Canadian Magic Championship title and has recently fooled Penn & Teller on their hit show FOOL US in Las Vegas. His live stage shows can be described as an interactive experience of hilarious calculated chaos. Minds are read, predictions are shown to be accurate, drawings come to life all while using humour and fascinating themes to keep everything flowing smoothly. Eric also appeared on the Ellen show on her last season!
